LOOTLAB - @theloot.ai

The Free AI Tools Database

Every tool below has a real free tier you can use today. No credit-card tricks, no fake "free" labels. Tested on @theloot.ai.

CHAT & RESEARCH

ChatGPT - chatgpt.com
The all-rounder: writing, brainstorming, scripts, captions, code help.
FREE TIER: free plan with usage limits on the newest models; no card required.

Perplexity - perplexity.ai
AI search that answers with sources: research and fact-checks in minutes.
FREE TIER: unlimited basic searches; a limited number of Pro searches per day.

NotebookLM - notebooklm.google.com
Chat with your own documents, links, and videos: summaries, guides, audio overviews.
FREE: free from Google with per-notebook source and notebook-count limits.

DESIGN & IMAGES

Canva - canva.com
Posts, thumbnails, logos, presentations: drag-and-drop design with AI built in.
FREE PLAN: generous free plan; some templates, elements, and AI features are Pro-only.

Leonardo - leonardo.ai
AI image generation with real control: product shots, thumbnails, artwork.
FREE TIER: daily token allowance that refills; paid plans raise the cap.

Gamma - gamma.app
Type an idea, get a finished presentation, doc, or simple webpage.
FREE TIER: starts you with AI credits; creating/editing costs credits, viewing is free.

VIDEO & AUDIO

CapCut - capcut.com
Free video editor: captions, effects, templates, phone or desktop.
FREE: core editor free; some effects, cloud storage, and premium features are paid.

Descript - descript.com
Edit video by editing the transcript: delete a word, cut the clip.
FREE PLAN: small monthly allowance of transcription/media hours.

Suno - suno.com
Full songs from a text prompt: intros, background tracks, original audio.
FREE TIER: daily song credits; free-tier songs are non-commercial use.

Fliki - fliki.ai

Turn a script into a full faceless video with an AI voiceover.

FREE CREDITS: free credits to test; free-tier exports carry a watermark and 720p cap.

OpusClip - opusclip.com

One long video in, captioned short clips ranked for viral potential out.

FREE TRIAL CREDITS: trial processing credits on signup; ongoing use is paid.

BUILD & GROW

Systeme.io - systeme.io

Funnels, email list, and online courses in one place.

FREE PLAN: real free plan (contacts/funnels/emails capped); no card to start.

WANT THE DEEP VERSION?

The AI Loot Vault: 100+ vetted tools organized by job, ready-to-paste prompts, and the workflows that chain them together. $49 founding presell, lifetime updates - find it on the LootLab links page.

Free-tier terms checked against each tool's public offering, October 2026; terms can change and each tool's own site is the final word.
Some links in the web version of this list are partner links: LootLab may earn a commission at no extra cost to you.
